Dear Members,

It is with great sadness that we have learned of the death of one of our former Presidents, Mr. Armando Taddeo. Mr. Taddeo served on the APER Board of Directors and served as Chair from 2014 to the end of 2020. He was also president of his local association at the Jewish General Hospital for many years and then at CIUSSS West-Central Montreal.

Armando was first and foremost a gentleman. He was able to support the permanent team as well as our members with determination, kindness and remarkable commitment, particularly during the trying times represented by the Barrette reform and the pandemic.

Through these ordeals, precious and unbreakable bonds were forged with him. His dedication, humanity and presence will leave a lasting mark on our organization and all those who had the privilege of working alongside him. We would like to send our deepest thoughts to all our members who had the privilege of working with him at CIUSSS West-Central Montreal and who will be remembered as a deeply human, committed and respected man.

Finally, we send our sincere condolences to his family and friends.

"Rest in peace, my friend. Your time with us will have helped to improve the lot of the APER and its members, and your memory will remain engraved in our memories. »
