GOOD NEWS FOR SNS EMPLOYEES

Dear Members,

Following the pressure exerted by the APER with the Ministry of Health and Social Services in recent weeks, we are pleased to inform our members, SNS employees that they will soon be entitled to the negotiated salary increases by unions and who are:

2% as of April 1, 2020

2% as of April 1, 2021

2% as of April 1, 2022

APER is continuing its efforts with the government so that managers can quickly obtain the same salary increases... this government gesture would have the advantage of reducing discontent in the network!
