SALARY INCREASES AND LUMP SUMS: GOOD NEWS... FINALLY!

Dear Members,

APER had a meeting this morning with representatives of the Secretariat of the Treasury Board (SCT) who told us that managers should receive the following increases and amounts this spring:

- 1% in lump sum (so we included in wages) for the period from April 1, 2019 to March 31, 2020
- 1% in lump sum (so we included in wages) for the period from April 1, 2020 to March 31, 2021
- A salary increase of 2% for the period from April 1, 2020 to March 31, 2021
- A salary increase of 2% for the period from April 1, 2021 to March 31, 2022
- A salary increase of 2% for the period from April 1, 2022 to March 31, 2023

APER has also requested that these amounts be allocated to managers as soon as possible. The SCT, confirming to us that it was an envelope dedicated to managers, was ready to proceed insofar as the manager associations request it in writing, which we will do tomorrow.

Finally, the SCT confirmed to us that an additional envelope was available to correct documented sector problems. These problems and the management of these sums will be discussed at the negotiation table with the MSSS. We also have a meeting with Mr. LeHouiller, Deputy Minister, next Wednesday.

Finally, some fairness!
