NEW ARRIVAL AT APER

Dear members,

We are pleased to welcome to the team at APER, Ms. Michelle Bourget as Labor Relations Advisor. Michelle has significant experience in labor relations in addition to having worked with us from 2014 to 2016.

She lived with us the declassifications of 2014 and the reform of 2015... she therefore understands the situation very well.

On your behalf, we welcome her... again!
