

## NEWSLETTER – PAY EQUITY

**THIS MESSAGE IS ONLY FOR MANAGERS WHO WERE INVITED TO FILL OUT A SURVEY**

NOVEMBER 21, 2022

Dear Members,

On October 31, the Pay Equity Maintenance Committee asked some of our members, by email, to participate in a survey for the 2021 pay equity maintenance exercise. Considering the importance of this exercise, we are again asking for your participation to ensure that you fill out the online questionnaire, the hypertext link of which appears at the bottom of this page. **Your participation is essential, and we are counting on your precious collaboration to help us ensure the achievement of the 2021 maintenance.**

We are aware of the workload that this survey represents. It is important to specify that the time required to complete the questionnaire varies from one participant to another and that it can be completed intermittently, at the most appropriate time. To respond to some of the concerns raised by participants, the committee has agreed **to extend the deadline for responding to them to December 16.** For any questions regarding the 2021 maintenance exercise, the survey, or the content of the questionnaire, we invite you to contact us at [association@aper.qc.ca](mailto:association@aper.qc.ca) indicating “Pay equity” in the subject line.

Furthermore, it is recommended to save the questionnaire frequently by using the “finish later” function. This will allow you to create a username and password. Once your questionnaire has been saved for the first time, you can use the “finish later” button to update your recording without leaving the page. When you want to continue an uncompleted questionnaire, you will need to enter your username and password again. Be sure to enter this information accurately so that you can upload your questionnaire.

However, if you experience technical problems with the LimeSurvey questionnaire, we ask that you contact the SCT at the following address: [maintenance2021.pgsss@sct.gouv.qc.ca](mailto:maintenance2021.pgsss@sct.gouv.qc.ca)

We thank you in advance for your collaboration, it will allow everyone to benefit from it.

Complete the questionnaire here: <https://sondage.tresor.gouv.qc.ca/sondage/index.php/218299?lang=fr>
