

**NEWSLETTER – IT'S DONE, BILL 15 WAS ADOPTED UNDER THE GAG
UPCOMING TRAINING FOR OUR MEMBERS, TO KNOW ALL THE DETAILS**

December 11, 2023

Dear members,

As you probably know, Bill 15 was passed early Saturday morning through gag order. The gag order is an exceptional procedure by which the government forces elected officials to continue studying the bill in an expeditious and uninterrupted manner until it is possible to adopt it.

Like Law 10 (Barrette), Law 15 (Dubé) had to be adopted via this procedure, which remains troubling considering the scope of this law as well as the importance of the changes.

We confirm once again that there will be no abolition of managerial positions and the implementation of this reform will be done in stages within a time frame that is minimally respectful of the people who will have to put it in place, that is to say - you!

In order to give you all the details of this new reform, APER will provide training on the law during our LUNCH training sessions. Here are the dates :

1. French: January 17 at noon
2. English: January 18 at noon
3. French: January 30 at noon
4. English: January 31 at noon

Please register by sending an email to association@aper.qc.ca indicating the date on which you want to participate.
