

NEWSLETTER – PARTNERSHIP WITH STROM NORDIC SPA

May 27th, 2024

Dear Members,

Being very sensitive to the workload that is required of managers in the health and social services network, we are very pleased to share with you a new partnership between the **Strom Nordic Spa** chain and the **APER**.

Being constantly looking for benefits for our members and to improve the quality of our services, we have reached an agreement allowing you to obtain discounts of up to **35%** on all purchases made online via the following link: <https://www.stromspa.com/en/partners-wellness-offers/> To consult the offers, simply click on "take advantage" and select the store of your choice.

It is important to note that this partnership applies to all Strom Nordic Spa in Quebec (Nuns' Island, Mont-Saint-Hilaire, Saint-Sauveur, Sherbrooke and Old Quebec).

We would like to thank **Strom Nordic Spa** for this great partnership!

TEAM APER association@aper.qc.ca
