

NEWSLETTER – PARTNERSHIP WITH THE PIZZA SALVATORÉ RESTAURANT CHAIN

May 22nd, 2024

Dear Members,

We are very pleased to share with you a new partnership between the **Pizza Salvatoré** restaurant chain and **APER**. As we are constantly looking for benefits for our members and to improve the quality of our services, we have entered into an agreement allowing you to obtain a **5%** discount on all orders placed online on the website: www.salvatore.com or the mobile app using the promo code: **APER15**. It is important to note that this partnership will allow APER to collect a **10%** dividend on the total amount of sales (before taxes, delivery fees and tips) made using the promo code **APER15**. You will understand that the amounts raised through this dividend will be redistributed to our members by diversifying our service offering. It is also important to note that the promo code applies in all Pizza Salvatoré restaurants in Quebec, Ontario and New-Brunswick.

We would like to thank Pizza Salvatoré for this great partnership!
