

NEWSLETTER – PARTNERSHIP WITH THE IRIS EYEWEAR CHAIN

September 13th, 2024

Dear Members,

We are very happy to share a new partnership with you. This time, it is with the **IRIS** eyewear chain and the **APER**. This new agreement allows you to get a discount of up to \$150 on the purchase of a pair of prescription glasses! There are also discounts for sunglasses, contact lenses and even laser vision correction.

To access the discounts, simply register by following the instructions on the attached document and all members of your family who live at the same address as you can benefit from these discounts! Once your registration is complete, you will need to print your coupons and this newsletter to prove that you are indeed an **APER** member when you visit an **IRIS** retailer.

The store locator makes it easy to find a location, click here: [Store Locator | IRIS](#)

We would like to thank **IRIS** for this great partnership!

TEAM APER association@aper.qc.ca
