APER
AU SOUTIEN DES CADRES | SUPPORTING MANAGERS

February 4th, 2026

NEWSLETTER

Dear members,

We are very pleased to announce a new partnership between Sesame Asian Bistros and APER.

SESAME
BISTRO ASIATIQUE

As part of our ongoing commitment to offering concrete and practical benefits for everyday life, this partnership allows you to receive a **5% discount** on your orders at **Sesame,** whether dining in by presenting your **digital APER membership card**, or ordering online using the **exclusive APER member promo code (APER15)**.

It is also important to note that this partnership enables APER to receive a **10% rebate** on the total value of **dine-in sales made using the promo code** (before taxes, delivery fees, and tips). The funds generated through this rebate will be fully reinvested for the benefit of members, particularly through the diversification and continuous improvement of our service offerings.

Sesame restaurants are known for their Asian-inspired cuisine, featuring flavorful bowls, fresh ingredients, and options suited to a variety of lifestyles, making them a convenient choice for both lunches and well-deserved dinners.

Enjoy your meal, and we look forward to continuing to offer you benefits that truly make a difference!
